FINANCIAL INCLUSION

Action Points emerged in the 121st SLBC Meeting held on 21.06.2017

All Banks to complete Aadhaar Seeding and activation of RuPay Debit Cards with the active cooperation of the State Government Machinery and PRI bodies in Savings accounts. (Action : All Banks).

Status of implementation

The details of progress under PMJDY are annexed.

Pradhan Mantri Jan Dhan Yojana (PMJDY).

Performance of PMJDY as on 09.08.2017 for the State of Tripura is furnished below:

Rural Accounts	Urban Accounts	Total Accounts	Deposit (Rs/crore)	Aadhaar Seeded	Zero balance A/cs	RuPay card issued
No.	No.	No.	Amt.	No.	No.	No.
576961	236484	813445	620.44*	719089	37418	721769
In Percentage						
70.93	29.07			88.40	4.60	88.73

* Average deposit per account Rs 7627/-

29.52 crore PMJDY accounts have been opened till 09.08.2017 across the country with deposit of Rs 65844.68 crore with an average deposit of Rs. 2231/- per account as against average deposit of Rs 7627/- per account in the State of Tripura.

Aadhaar seeding percentage is 88.40 in Tripura. On the issue of bulk seeding of Aadhaar numbers from MNREGA database or database of other department, all banks are to observe due diligence and obtain written consent of the customer before seeding the Aadhaar number in the Bank account. All banks are requested to push up Aadhaar seeding for smooth DBT transactions.

All the banks in the State of Tripura issued Rupay Cards to 88.73% PMJDY customers against national issuance of 76.93%. Activation of Rupay cards is an area of concern for banks in Tripura. Bank Mitras should use Rupay Card compliant hand-held devices at the earliest, so that all the beneficiaries get the benefit of Rs. 1 lac inbuilt accident insurance. This area needs attention by all banks.

Number of Zero balance accounts has considerably come down and stands at only 4.60% of total PMJDY accounts opened in the State. Bankers are requested to convert all zero balance accounts into operative accounts.

DFS, MoF, GoI is reviewing the progress of PMJDY in respect of Financial Literacy, Rupay Card activation and status of Bank Mitras through Video Conferencing on regular basis. SLBC Desk Tripura along with member banks and State Mission Director (PMJDY) participate in VCs. SLBC communicates the direction of the DFS regularly to member banks for implementation.

CD Ratio of Banks in Tripura

1. Action Points emerged in the 121st SLBC Meeting held on 21.06.2017

All Banks are to exert efforts jointly to raise the CD ratio of the State to 53% as on 31.03.2018.
(Action: All Banks & State Government).

Status of implementation

CD ratio of the Banks in the State increased to 44% as on 30.06.2017 from 43% as on 31.03.2017.

The CD ratio of Banks is gradually improving again after decreasing by 3% as on December'2016 as compared to March' 2016 owing to receipt of huge amount of Specified Bank Notes (Rs. 500/ Rs. 1000) both in Deposit and Advance Accounts owing to demonetization during November-December 2016. Banks have already initiated steps for increasing credit portfolio both in Agriculture and Retail segments including MSE.

All Banks are requested to take proactive steps for increasing advances in the State for steady growth in CD ratio of the State during FY 2017-18.

2. Action Points emerged in the 120th SLBC Meeting held on 27.02.2017

The District Administration would continue to review the CD ratio of the districts in all DCC meetings and Action points should be decided for all districts to push up the CD ratio. Extra efforts should be initiated for West Tripura District to improve its CD ratio with high ticket loan accounts. (Action: All Banks & LDMs).

Status of implementation

District administration is reviewing the progress of CD Ratio in every DCC meeting and action points are taken to push up the CD ratio of all Banks. Besides, Special Sub-committee (SSC) of West Tripura District is regularly monitoring and reviewing the performance of CD Ratio in each DCC Meeting of West Tripura.

Creation / release of Online charge by banks on land holdings:

At present the land possession certificates are being issued by the Agriculture Dept / other Depts. to the eligible farmers for issuing KCCs. Presently, land records are made available on-line where bankers have access to verify the ownership of the land offered as security or for cultivation of crop except in some tehsils.

In view of spurt in the fraudulent use of land records, it has become imperative to introduce **on-line land verification system**; the State Govt. is requested for extending support for the following procedures across the State:

1. To introduce online land verification system
2. To have facility for creating charge on land online to protect the interest of the banks.

Recovery Performance of Banks

As on 30.06.2017

The recovery mechanism is also not functioning properly and the NPAs are rising more or less in all banks. Some of the reasons could be as under:

- Diversion of fund.
- *Joint Recovery camps with active involvement of State Govt. Representatives are not being held frequently.*
- Inadequate follow- up and personal contact with the borrowers.
- *Un-remunerative price of Agricultural produce.*
- *Marketing facility is inadequate for industrial products.*
- *A good number of borrowers do not repay their loans willfully.*
- *Two Debt Waiver schemes have left negative image in the minds of borrowers who used to be paymasters earlier.*
- Recovery process through legal recourse is time consuming.
- Recovery percentage under Public Demand Recovery Act is very poor.
- In enforcing recovery through SARFAESI act, more proactive support of State Govt. is necessary.

The house may discuss these issues and suggest corrective measures for implementation.

Sector wise recovery –

Regional imbalances in deployment of credit to various sectors of the economy:

Credit off take in Tripura is generally at a lower side compared to the other States of the country. The CD ratio of the State during last two- three years has moved both ways in the range of 30% to 45% and as on 30.06.2017 it stands at 44%. The State had achieved the target under ACP 2007-08(102%), ACP 2008-09 (113%), ACP 2009-10 (114%), ACP 2010-11 (99%) ACP 2011-12 (98%), ACP 2012-13 (94%), ACP2013-14(123%), ACP 2014-15 (116%), ACP 2015-16 (124%), ACP 2016-17(125%) and ACP 2017-18(27%)[Up To June'2017] resulting in growth of advances. Yet the CD ratio is not up to the mark. The reasons could be as under:

- i. Relatively faster growth in deposits.
- ii. Scope of big Industrial Advance is limited.
- iii. Being a landlocked State, cannot go all out to market its products in the other parts of the country.
- iv. Contribution of Traditional sector towards total advance of the State is much lower in comparison to other States.
- v. Priority sector being the principal sector where credit flow has limited absorption capacity.
- vi. Non-availability of adequate irrigation facility is one of the limiting factors of low credit off take in the State.

In Tripura (W) district where CD ratio is the lowest in the State, one Sub-committee under DCC is reviewing in each DCC meeting and action points are taken to push up the CD ratio of the District.

SME financing & bottlenecks thereof, if any

Some of the problems that are being faced by the entrepreneurs of the State can be summarized as under:

- Reluctance of big industrial houses to set up their units in the northeast.
- Inadequate Research & Development facilities
- Inadequate level of computer based technology
- Limited spread of brand image
- Low productivity
- Inadequate infrastructure facilities
- Being a landlocked State transportation of products of the State to other part of the country is dependent on road connectivity only. Because of the distance, transportation cost is much higher in comparison to other States.

The summary of SWOT analysis of Industries in the State could be as under:

Strength : Abundance of natural resources and cheap labours. Political stability etc.

Weakness : Inadequate Research & Development facilities, lack of proper system of identification of viable projects and activities and marketing bottlenecks.

Opportunities: Cross border trading with Bangladesh and increasing domestic demand.

Threat : Relatively higher production cost and fast changes that are taking place in the economy.

The following measures suggested below may be considered for discussion with a view to combat the problems and to ameliorate the industrial situation in the State:

- To examine the issue of supply of power at a reasonable cost to entrepreneurs.
- To study the financial implication for compliance of pollution control norms.
- To promote the brand image of industries of the State.
- To create proper marketing and infrastructure facilities.
- To promote Research & Development activities for continuous development of product quality and cost efficiency to face competitions.

Particulars of Flow of credit to MSE sector has been shown in Agenda Item IV.

Timely submission of data by banks:**Action Points emerged in the 121st SLBC Meeting held on 21.06.2017**

To ensure submission of data as per format and within stipulated time period (**Action : SLBC Tripura**)

Status of Implementation

21 out of 35 Banks submitted the reports after the stipulated date. All Banks are once again requested to ensure submission of data within the stipulated time period.

Timely submission of correct data by all banks/financial institutions is of prime importance for effective functioning of Lead Bank Scheme. Delayed submission of data comes in the way of timely holding of various meetings relating to Lead Bank Scheme. It also debars the convener bank/ lead bank to submit compiled data to RBI, NABARD and Central and State Governments on various items as and when asked for. All banks need to make a lot of improvement in this area. The issue has become more important in the context of RBI directives that SLBC meetings are to be held within 45 days of the end of the quarter.

All Banks were requested to submit data within 14.06.2017 for compilation of Agenda Notes for 122nd SLBC Meeting. The date of submission by the concerned banks is tabulated as follows:-

The Chief Secretary addressed the participants and briefed about necessity of providing Bank loan including subsidy to the students with requisite marks etc.pursuing B.Ed. course outside States in NCTE approved institutions.Their acquisition of B.Ed. would help to fill up the vacancy of teachers in School Education Department as per the provision of RTE Act.

2. The DGM, UBI indicated that there is already a student loan scheme in different Banks including UBI for the students pursuing B.Ed. etc course as designed by the Indian Bank Association (IBA). The Central Government in such case reimburses interest of the loan for the period of study. Therefore, the students need not pay any interest. But the criteria for availing this loan is maximum Rs.4.5 lakhs income of parents and students need to secure 60% marks in H.S. level. He indicated that about 200 students have been covered under the scheme.
3. The MD, TSCB has indicated that this scheme is not extended to their Bank, though more loan has been given on case to case basis. The Chief Secretary, Tripura has advised them to formulate such a scheme for their Bank.
4. The Secretary, Tribal Welfare Department indicated that they already have a scheme for reimbursement of fees for pursuing B.Ed. by SC, ST students, whose parent's income is less than Rs.2.5 lakhs per annum. He also indicated that there is no upper limit as regards number of students to be sponsored. The scheme is operative under the concerned Ministry of Government of India. The Chief Secretary advised the Secretary, Tribal Welfare Department to maximize the number of ST and SC students to be benefited under the scheme.
5. Based on the discussion, it was decided to formulate a scheme involving the Bank authorities (UBI, TSCB) along with representatives of SC & ST Welfare Department, Higher Education and School Education Department. It is to be examined whether for the reserved category and minority students the gap between Rs.2.5 to Rs.4.5 family income of students needs to be borne by subsidy that can be provided by the State Government.

6. For the UR and other the Banks may have to reduce the rate of interest. But the Banks opined that in this case, the subsidies needs to be given by the State Government.

7. It may also be examined if the Banks can reduce marks criteria for B.Ed. students from 60% to 50% as provided under RTE Act.

8. Accordingly, it was decided to form a committee to formulate a new scheme to extend loan to the aspiring students to study B.Ed. A committee is formed with the following officials to finalise the scheme indicating details about bank loan and subsidy etc. that can be made available to the students for pursuing B.Ed. course and submit report within a fortnight.

The meeting was Co-Chaired by Shri Ashok Kumar Pradhan, Executive Director, United Bank of India along with Shri M. Nagaraju, Principal Secretary, Finance, Industries & Commerce, Govt. of Tripura. Amongst other dignitaries, Dr. G.S.G. Ayyangar, Principal Secretary, Agriculture and Rural Development, Govt of Tripura, Sri Tamal Biswas, General Manager, RBI, Agartala, Sri Sunil Kumar, General Manager, NABARD, and Shri Manas Dhar, General Manager, United Bank of India & Convener, SLBC (Tripura) were also present. Senior Executives of the State Government, RBI, NABARD and Banks also participated in the meeting. A list of participants of the meeting is enclosed.

Initiating the discussion, Sri Manas Dhar, General Manager, United Bank of India & Convener SLBC, Tripura welcomed all the participants to the 121st meeting of SLBC, Tripura. Then, he requested Shri A.K. Pradhan, ED, United Bank of India to deliver his keynote address to the House.

Shri A.K. Pradhan, ED, United Bank of India & Co-Chairman, SLBC, Tripura, at the beginning greeted Dr. G.S.G. Ayyangar, Principal Secretary, Agriculture and Rural Development, Shri M. Nagaraju, Principal Secretary, Finance, Industries & Commerce at the SLBC meeting. Shri Pradhan also extended hearty welcome to Shri Tamal Biswas, General Manager, RBI, Agartala, Shri Sunil Kumar, General Manager (NABARD), and other executives from the Govt. of Tripura, RBI, NABARD & Banks.

At the outset he mentioned about the significant achievements of the Banks in different parameters and also about the progress made in implementing the major decisions of the last SLBC meeting held on 27.02.2017.

Shri Pradhan, Executive Director, United Bank of India informed the House that at the end of FY 2016-17, CD ratio of the State stood at 43%, an increase of 1% from the earlier position of 42% as on 31st December 2016. He hoped that increased lending under MUDRA and Stand-Up-India and also achieving targets of Agriculture & MSME under Annual Credit Plan for the financial year 2017-18 would help record further improvement of CD ratio in the coming quarters.

Combined disbursement of all Banks under PMMY stood at Rs.494.47 crore i.e. 123% of the State Target of Rs.402 crore for FY 2016-17. He advised RSETI Directors and their sponsor banks to remain in constant touch with the skilling centres for conducting financial literacy and credit counseling

sessions for the new entrepreneurs so that they become self reliant and self employed with the help of MUDRA loans.

He mentioned that 87 SC/ST/Women beneficiaries have received loans totaling Rs.13.99 crore under the “Stand Up India Scheme”. He also said that this performance of the banks in the State is far below the expectation. He mentioned that this agenda should be discussed in all DCC meetings and some special initiatives need to be taken for achieving a respectable position in this segment during 2017-18.

He stated that percentage of Aadhaar Seeding in Savings accounts is 89.47% in Tripura, which is really impressive. He mentioned that the state government has decided that all subsidies / payments released would be routed through Aadhaar seeded accounts to the maximum possible extent. Since Tripura State is having the highest penetration of Aadhaar in the country, all Banks were requested to seed Aadhaar numbers in the remaining eligible accounts to ensure 100% Aadhaar seeding and smooth DBT Transaction. He referred to the ruling of Supreme Court about linking Aadhar with every Bank A/c. He said that it has now become mandatory on the part of the Banks to ensure full compliance of the directive. He said as on 17.5.2017 the percentage of Zero Balance accounts was only 4.70% of total PMJDY accounts opened in the State. Bankers were requested to convert all zero balance accounts into normal operative accounts by observing the financial disciplines. All the Banks taken together have issued RuPay ATM Cards to 88.68% PMJDY customers against national average of 77.68%. He suggested that RuPay ATM cards should be issued against every account opened because RuPay card operation is likely to encourage digital transaction. As a long term measure he suggested organising financial awareness programmes at regular intervals to inculcate the habit of digital transactions in all the customers and specially the young customers.

He said that banks had surpassed the ACP 2016-17 target, which definitely augurs well for the State. He said Banks should continue with similar efforts in coming years also with a view to propelling the CD ratio of the State beyond much coveted 50%.

He said that the banks in the state of Tripura have issued 48614 KCCs (97% of target of 50,000) during FY 2016-17. He emphasized on the renewal of Dormant KCCs, which he felt could be made possible only with the joint efforts of the State Govt. & Banks. He stated that Dormant KCCs should be made active so as to get the benefit of PMFBY. He cited the example of West Bengal, where Agriculture Department of the State Govt. is extending all possible assistance to the Banks for renewal of dormant KCCs. He requested for kind cooperation of the Tripura Government in this regard. He said recycling of funds in Agriculture segment is of paramount importance. He also requested the Bankers to prepare District-wise & Branch-wise dormant KCC list for onward submission to the Agriculture Department of the State Government within 30th June 2017 to kick start the campaign.

Sri Pradhan referred to the NPA position of the State including written off amount, which stood at Rs.613.52 Cr i.e. 6.40% of total advances as at the end of FY 2016-17. He emphasized on initiation of timely recovery, and advised the banks to work proactively to bring the NPA level down below 5% by June 2017 with the assistance and guidance of the State Government.

He stressed on the importance of Securitization of assets under SARFAESI Act and also urged on the State Government to ensure that there is no undue delay in extending help towards the Bankers for recovery of loans.

Shri Pradhan hoped that the collective effort of all concerned would facilitate speedy implementation of the Government's policy on various spheres of economic activities within the shortest possible time resulting in all-round economic development of the State.

Thereafter, Shri A. K. Pradhan, Executive Director United Bank of India requested Dr. G.S.G. Ayyangar, Principal Secretary, Agriculture and Rural Development, Government of Tripura to address the House.

Dr. G.S.G. Ayyangar, Principal Secretary, Agriculture and Rural Development, Government of Tripura appreciated the efforts of all concerned in the successful achievement of targets under the Annual Credit Plan. He stated that number of Agricultural Term Loan have increased considerably, but the average quantum of loan decreased. He suggested increasing the average ticket size of Agriculture & other loans as under-financing often leads to the loans turning into NPAs. He urged upon the Bankers to increase financing to Agriculture Marketing, Cold Storages, Rice Mills, pulses and edible oil seed mills. He also suggested organizing a camp in Tripura Agriculture College, in which Bankers and other implementing line agencies related to Agricultural financing would be invited to address the students in final year to make them aware about scope for agriculture project lending. He requested all concerned that implementation of PMFBY should be of top most priorities and the scheme should be executed for all loanee and non-loanee farmers in the State.

Dr. Ayyangar appreciated the UBI RSETI Udaipur and TGB RSETI Sepahijala for their excellent performance and congratulated them as they have been awarded on RSETI Diwas in New Delhi by the MORD, Govt. of India. In reply to the request of United Bank of India for re-allotment of existing premises of RSETIs instead of allotted land, he stated that concerned Banks should construct building for their RSETIs at the allotted lands only. He assured that RD Department of State Government would help the Banks in preparation of plan, layout and even construction for these buildings, if they are assigned at a reasonable cost. He also assured removal of encroachment by unauthorized persons in land allotted to TGB Bishramganj RSETI. He also suggested that Directors of respective RSETIs should be present in the SLBC meeting onwards to present the performance of their institutes themselves.

Dr. G.S.G. Ayyangar urged all the Bankers to select beneficiaries under different schemes before the 30th of November 2017 due to application of Model Code of Conduct related to election.

Shri M. Nagaraju, Principal Secretary, Finance, Govt. of Tripura lauded the efforts of the Bankers in implementation of various schemes during the year 2016-17. But he pointed out the poor performance under Stand Up India scheme under which the Banks provided loan to only 87 beneficiaries by the 500 plus branches. He requested all Banks need to improve their performance considerably during FY 2017-18.

He requested the bankers to consider the matter for taking official accommodation and quarters for officers / staffs at the above prime location in Agartala.

Thereafter, the Convener SLBC of Tripura requested Shri Tamal Biswas, GM, RBI and Shri Sunil Kumar, General Manager-NABARD to address the House.

Shri Tamal Biswas, GM, RBI Agartala informed the House about the initiatives taken by them in connection with the member Banks of SLBC Tripura during the Financial Literacy Week held from 05.06.2017 to 09.06.2017. The State Level Inauguration Event was held in Rabindra Satabarshiki Bhawan, Agartala, Tripura on 05.06.2017. He informed the House about their efforts across the State to create awareness about Financial Literacy and Digital Financial Literacy through displaying posters in public toilets, note books, garden umbrellas, etc. Similarly, he requested all Banks to contribute equally in the efforts for improvement of CD ratio in the State during next quarter.

He stressed on the importance of Digital Financial Literacy in the wake of Demonetization and initiatives towards moving to a digital payment economy with the active involvement of Banks, NABARD and State Government. He also brought before the House the delay in receiving data from

Banks by both SLBC desk and RBI Agartala. He urged all concerned to ensure submission of required data as per reporting formats within the stipulated time period which would help in timely conducting of SLBC and DCC meetings.

Shri Sunil Kumar, General Manager, NABARD during his deliberation informed the House about issuance of 95,000 RuPay KCC cards by TGB and 72,000 by TSCB in the State of Tripura. He made a presentation on the <https://eshakti.nabard.org/> website created by NABARD which was meant for MIS data regarding SHGs in the State. He stated that Bankers could visit this website to know more about a particular SHG which would help in better credit delivery to the SHGs and knowledge about the groups.

He urged upon the Bankers to increase the average assistance to SHGs based on the activity undertaken with first dosage ideally being Rs. 1.25 Lakh and 2nd dosage being Rs. 1.50 Lakh. He expressed concern over poor implementation of Community Based Recovery Mechanism (CBRM) in the Branches.
