In order to encourage eligible and potential account holders to join PMJJBY at a later stage (those who are enrolling after August, 31st in any policy year -1st June to 31st May) the following modifications in the PMJJBY scheme have been suggested:

i. In order to encourage eligible account holders to join the scheme at a later stage payment of pro-rata premium for enrolment under PMJJBY would be allowed, with the minimum premium of Rs 86/- for one quarter required to be paid even if a person enrolls under the scheme one or two months before the end of the policy year (i.e. if he enrolls in March, April or May). Thus, if the enrolment takes place during the months of –

- a. June, July & August –Annual premium of Rs. 330/- is payable.
- b. September, October & November –3 quarters of premium @ ₹86.00 i.e. Rs. 258/- is payable.
- c. December, January & February – 2 quarters of premium @ ₹86.00 i.e. Rs. 172/-is payable.
- d. March, April & May – 1 Qly premium @ ₹86.00 is payable.

ii. Lien period of 45 days shall be applicable from date of enrollment.

iii. In case of payment of pro-rata premium, the administrative charges payable to Banks (which is currently Rs 11/- per subscriber per annum for premium of Rs. 330/-) shall also be paid on pro-rata basis (i.e. for Qly premium of Rs.86/-, bank will retain an amount of Rs. 3.50, for 2 quarters of premium of Rs. 172/-, bank will retain an amount of Rs. 7/- and for 3 quarters of premium of Rs. 258/-, bank will retain an amount of Rs. 10.50).

iv. In case of payment of pro-rata premium, the commission charges payable to a BC/Micro/Corporate agent (currently @ Rs. 30/- per annum per member) would also be payable on pro-rata basis (i.e. for Qly premium of Rs.86/-, it would be Rs. 7.50, for 2 quarters of premium of Rs. 172/-, it would be Rs. 15/- and for 3 quarters of premium of Rs. 258/-, it would be Rs. 22.50).

v. Full year's premium @ Rs 330/- would be payable at the time of renewal under the scheme and pro-rata payment would not be allowed.

vi. The proposed changes in the scheme features are subject to approval by IRDAI. In this regard, LIC of India has already obtained approval of IRDAI on the above suggested modifications.

Accordingly, all the other Life Insurers implementing PMJJBY are advised to implement the above mentioned changes in the scheme (PMJJBY), with the approval of IRDAI. Banks are also advised to do the needful for smooth implementation of the said changes in the scheme.

**Recovery Performance of Banks**

As on 31.03.2018

*The recovery mechanism is also not functioning properly and the NPAs are rising more or less in all banks. Some of the reasons could be as under:*

- Diversion of fund.
- *Joint Recovery camps with active involvement of State Govt. Representatives are not being held frequently.*
- Inadequate follow- up and personal contact with the borrowers.
- *Un-remunerative price of Agricultural produce.*
- *Marketing facility is inadequate for industrial products.*
- *A good number of borrowers do not repay their loans willfully.*
- *Two Debt Waiver schemes have left negative image in the minds of borrowers who used to be paymasters earlier.*
- Recovery process through legal recourse is time consuming.
- Recovery percentage under Public Demand Recovery Act is very poor.
- In enforcing recovery through SARFAESI act, more proactive support of State Govt. is necessary.

The house may discuss these issues and suggest corrective measures for implementation.

## **Regional imbalances in deployment of credit to various sectors of the economy:**

Credit off take in Tripura is generally at a lower side compared to the other States of the country. The CD ratio of the State during last two- three years has moved both ways in the range of 30% to 45% and as on 30.09.2017 it stands at 45%. The State had achieved the target under ACP 2007-08(102%), ACP 2008-09 (113%), ACP 2009-10 (114%), ACP 2010-11 (99%) ACP 2011-12 (98%), ACP 2012-13 (94%), ACP2013-14(123%), ACP 2014-15 (116%), ACP 2015-16 (124%), ACP 2016-17(125%) and ACP 2017-18(113%) resulting in growth of advances. Yet the CD ratio is not up to the mark. The reasons could be as under:

- i. Relatively faster growth in deposits.
- ii. Scope of big Industrial Advance is limited.
- iii. Being a landlocked State, cannot go all out to market its products in the other parts of the country.
- iv. Contribution of Traditional sector towards total advance of the State is much lower in comparison to other States.
- v. Priority sector being the principal sector where credit flow has limited absorption capacity.
- vi. Non-availability of adequate irrigation facility is one of the limiting factors of low credit off take in the State.

In Tripura (W) district where CD ratio is the lowest in the State, one Sub-committee under DCC is reviewing in each DCC meeting and action points are taken to push up the CD ratio of the District.

## **SCHEME TO PROVIDE BANK LOAN WITH STATE GOVT. SUBSIDY FOR PURSUING B.ED. FOR PROSPECTIVE STUDENTS OF TRIPURA:**

State is in the process of formulating a Scheme to provide assistance by way of interest subsidy during moratorium period of study or capital subsidy on education loans taken by students from scheduled Banks/ RRB/ TSCBL to pursue B.Ed. courses in recognized institutions.

For this, a meeting was held on 12.06.2018 with the Bankers on the modalities of education loan scheme for prospective B.Ed. students studying in Tripura or other States to fill up the vacancies of the teachers for Tripura. The scheme is under process of finalization by the State Government.

### **Pradhan Mantri Awas Yojana (PMAY) - DPR I:**

Like other States, Pradhan Mantri Awas Yojana (PMAY) is being implemented in all 20 ULBs across the State of Tripura. Total 42,896 beneficiaries was approved by the State Government (as per DPR). Progress on implementation of PMAY along with CLSS scheme was reviewed on 11.06.2018 under the Chairmanship of the Principal Secretary, Urban Development Department, Govt. of Tripura in presence of executives from National Housing Bank (NHB) and HUDCO and officials from Urban Development Department, Govt. of Tripura and different Banks in the State of Tripura.

Principal Secretary, UDD, Govt. of Tripura briefed about the implementation of PMAY in the State and emphasized on the inclusion of more and more beneficiaries under Credit Linked Subsidy Scheme (CLSS). He pointed out the issue regarding exclusion of several beneficiaries under CLSS and requested the Bankers in Tripura to appraise the beneficiaries while accepting loan proposals under Housing scheme in 20 ULBs fulfilling income and other criteria.

He also suggested for an awareness meeting for the Bankers and beneficiaries with the help of National Housing Bank (NHB) and HUDCO during the first fortnight of July so that more numbers of beneficiaries get the benefit of interest subvention under CLSS.

## SME financing & bottlenecks thereof, if any

Some of the problems that are being faced by the entrepreneurs of the State can be summarized as under:

- Reluctance of big industrial houses to set up their units in the northeast.
- Inadequate Research & Development facilities
- Inadequate level of computer based technology
- Limited spread of brand image
- Low productivity
- Inadequate infrastructure facilities
- Being a landlocked State transportation of products of the State to other part of the country is dependent on road connectivity only. Because of the distance, transportation cost is much higher in comparison to other States.

The summary of SWOT analysis of Industries in the State could be as under:

**Strength** : Abundance of natural resources and cheap labours. Political stability etc.

**Weakness** : Inadequate Research & Development facilities, lack of proper system of identification of viable projects and activities and marketing bottlenecks.

**Opportunities** : Cross border trading with Bangladesh and increasing domestic demand.

**Threat** : Relatively higher production cost and fast changes that are taking place in the economy.

The following measures suggested below may be considered for discussion with a view to combat the problems and to ameliorate the industrial situation in the State:

- To examine the issue of supply of power at a reasonable cost to entrepreneurs.
- To study the financial implication for compliance of pollution control norms.
- To promote the brand image of industries of the State.
- To create proper marketing and infrastructure facilities.
- To promote Research & Development activities for continuous development of product quality and cost efficiency to face competitions.

Particulars of Flow of credit to MSE sector has been shown in Agenda Item IV.

## IMPORTANT ISSUE

### **REVAMP OF LEAD BANK SCHEME:**

Lead Bank Scheme (LBS) was last reviewed by the “High Level Committee” under Smt. Usha Thorat, the then Deputy Governor of RBI as the Chairperson in 2009. In view of the changes that have taken place in the financial sector over the years, RBI had constituted a “Committee of Executive Directors” of the banks to study the efficacy of the scheme and suggest measures for improvement. The Committee’s recommendation were discussed with various stakeholders and based on their feedback, RBI issued latest directives on 6<sup>th</sup> April 2018 on revamp of Lead Bank Scheme. The directives so issued by RBI are to be implemented in the State in letter and spirit. Few important action points that have emerged from that directive are furnished below:

From now on, State Level Bankers’ Committee (SLBC) meetings should primarily focus on policy issues having participation of only the senior functionaries of the banks/ Government Departments. All routine issues are to be delegated to various Sub-Committee of the SLBC. After a detailed discussion with RBI Agartala on Sub Committee to be formed considering present requirement, it is proposed to have following Sub Committees:

1. Sub Committee of SLBC on Agriculture.
2. Sub Committee of SLBC on MSME.
3. Sub Committee of SLBC on SHG, RSETI & Financial Inclusion.
4. Sub Committee of SLBC on management of Stress Assets.
5. Sub Committee of SLBC on Data Management

As is the requirement, a Steering Sub-committee is proposed to be constituted in the SLBC with representation from RBI, NABARD, SLBC Convenor Bank, State Bank of India, TGB, TSCB, UCO Bank, Central Bank of India, Departments of Finance, Agriculture, MSME & TRMLM to primarily deliberate on agenda proposals from different stakeholders and finalise a compact agenda for the SLBC meetings henceforth.

The relevant guideline of RBI, which is applicable for all Banks operating in the country, indicated that the corporate business targets of the Banks for branches, Blocks, Districts and States should be aligned with the Annual Credit Plan adopted by SLBC for the State to ensure better implementation. The Controlling Offices of the banks in each state should synchronize their internal business plans with the ACP of the State. All Member Banks are to take note of this.

RBI has shown its concern over integrity & timeliness of the data submitted by banks to SLBC since it is felt that a significant portion of this data is manually compiled and entered into the Data Management Systems of the SLBC Convener Banks. Accordingly SLBCs have been directed to develop a system on its website to enable uploading and downloading of the data pertaining to the Block, District as well as the State. For obvious reason, the relevant data is to be downloaded from the MIS of

the banks with a view to keeping manual intervention to a minimal level in the process. All member Banks are requested to give full support to SLBC Desk in this regard, particularly when UAT process would start.

The other part of the directive is related to strengthening the BLBC forum with a clear stipulation that all branch managers should attend BLBC meetings and enrich the discussions with their valuable inputs. Controlling Heads of banks are also to attend a few of the BLBC meetings selectively. Member Banks are requested to issue direction in this regard to the field.

RBI in their directive also stressed on involvement of Rural Self Employment Training Institutes (RSETIs), particularly at the DCC level. Focus of RSETI should be on development of skills to enhance the credit absorption capacity in the area and renewing the training programmes towards sustainable micro enterprises.

**The Chairmen/Managing Directors/Chief Executive Officers  
All SLBC Convener Banks/ Lead Banks**

Madam/Dear Sir,

**Revamp of Lead Bank Scheme - Action Points for SLBC Convener Banks/ Lead Banks**

As you are aware, the Lead Bank Scheme (LBS) was last reviewed by the "High Level Committee" under Smt Usha Thorat, then Deputy Governor of Reserve Bank of India as the Chairperson in 2009. In view of changes that have taken place in the financial sector over the years, Reserve Bank of India had constituted a "Committee of Executive Directors" of the Bank to study the efficacy of the Scheme and suggest measures for improvement. The Committee's recommendations were discussed with various stakeholders and based on their feedback, it has been decided that the following 'action points' will be implemented by the SLBC Convener Banks/Lead Banks.

- i. State Level Bankers' Committee (SLBC) meetings should primarily focus on policy issues with participation of only the senior functionaries of the banks/ Government Departments. All routine issues may be delegated to sub-committee(s) of the SLBC. A Steering Sub-committee may be constituted in the SLBC to deliberate on agenda proposals from different stakeholders and finalise a compact agenda for the SLBC meetings. Typically, the Sub-Committee could consist of SLBC Convener, RBI & NABARD representatives & senior State Government representative from the concerned department, e.g. Finance/ Institutional Finance and two to three banks having major presence. Other issue-specific sub-committees may be constituted as required. A Revised Agenda for SLBC meetings is attached as **Annex I** for implementation.

Caution: RBI never sends mails, SMSs or makes calls asking for personal information like bank account details, passwords, etc. It never keeps or offers funds to anyone. Please do not respond in any manner to such offers.

- ii. In cases where the Managing Director/Chief Executive Officer/Executive Director of the SLBC Convener Bank is unable to attend SLBC Meetings, the Regional Director of the RBI shall co-chair the meetings along with the Additional Chief Secretary/Development Commissioner of the State concerned.
- iii. The corporate business targets for branches, blocks, districts and states may be aligned with the Annual Credit Plans (ACP) under the Lead Bank Scheme to ensure better implementation. The Controlling Offices of the banks in each state should synchronize their internal business plans with the ACP under Lead Bank Scheme.
- iv. At present, discussions at the Quarterly Meetings of the various LBS fora viz. State Level Bankers' Committee (SLBC), District level Consultative Committee (DCC) and Block Level Bankers' Committee (BLBC) primarily focuses on the performance of banks in the disbursement of loans vis-a-vis the allocated target under the Annual Credit Plan. The integrity & timeliness of the data submitted by banks for the purpose has been an issue as a significant portion of this data is manually compiled and entered into the Data Management Systems of the SLBC Convener Banks. The extent to which this data corresponds with the data present in the CBS of the respective banks also varies significantly. Therefore, there is need of a standardized system to be developed on the website maintained by each SLBC to enable uploading and downloading of the data pertaining to the Block, District as well as the State. The relevant data must also be directly downloadable from the CBS and/ or MIS of the banks with a view to keeping manual intervention to a minimal level in the process. The procedure relating to the envisaged intervention in this area is given in **Annex II**. Necessary modifications may be made on the SLBC websites and to the CBS & MIS systems of all banks to implement the envisaged data flow mechanism.
- v. To strengthen the BLBC forum which operates at the base level of the Lead Bank Scheme, it is necessary that all branch managers attend BLBC meetings and enrich the discussions with their valuable inputs. Controlling Heads of banks may also attend a few of the BLBC meetings selectively.

- vi. Rural Self Employment Training Institutes (RSETIs) should be more actively involved and monitored at various fora of LBS particularly at the DCC level. Focus should be on development of skills to enhance the credit absorption capacity in the area and renewing the training programmes towards sustainable micro enterprises. RSETIs should design specific programmes for each district/ block, keeping in view the skill mapping and the potential of the region for necessary skill training and skill up gradation of the rural youth in the district.
  
2. You are advised to initiate necessary action for implementation of the 'action points' and also closely monitor the progress/ follow up by banks in this regard.
  
3. Please keep the respective Regional Office of the Reserve Bank of India informed of the action taken in the matter.
  
4. A copy of this circular is also being endorsed to the Chief Secretaries of all States.

Yours faithfully,

(Gautam Prasad Borah)  
Chief General Manager-in-Charge

**Annex II:**

**Management of Data Flow at LBS Fora – Procedure**

- i. Each bank's CBS should have a provision to generate a report pertaining to all LBS related data/ tables to Excel. This data should have information pertaining to all the branches operating in the state including fields/ columns for District & Block name. Access to Download & Export this data from bank CBS should be given to the Controlling Offices of the Banks who would be solely responsible for the process of 'Data Feeding' for all districts/ blocks within their jurisdiction.
- ii. The 'Data Feeding' process is the process of uploading this Excel file (downloaded in step (i) above) on the SLBC websites. SLBC Websites should have a provision to 'Import/ Upload' all the data present in the Excel Sheet on the database of the SLBC Website. This would obviate any manual 'data entry' at the SLBC/ Controlling Office level.
- iii. To facilitate the above functionality, each SLBC Convenor Bank would have to add this 'Import/ Upload' functionality to their SLBC website along with the requisite capabilities at the back-end.
- iv. The SLBC website would, thus, effectively work as a data aggregation platform. Further, data analysis capabilities could also be added to the SLBC websites depending on the available resources.
- v. The SLBC websites should provide access to LDMs to download district and block specific data directly from this website thus ensuring integrity and timely availability of data.
- vi. There could still be some data pertaining to State Government Schemes/ other data that is not available on the CBS or MIS of the banks. This would have to be collated at the Controlling Office level as is done now. At the SLBC website, functionalities could be provided to enter this data too. This could then be downloaded by the LDMs for district/ block level reports. Banks may also add Open Format fields like 'text boxes' for data or information that is special or is entered/ used once in a while.
- vii. Such a system ensures that LDMs & SLBC Convenor Banks have to do zero or minimal data entry/ feeding and all data is entered by a single 'custodian of data' which is the Controlling Office of each Bank. Any information to be provided by Government extension agencies could also be similarly uploaded.

## Timely submission of data by banks:

25 out of 35 Banks submitted the reports after the stipulated date. All Banks are once again requested to ensure submission of data within the stipulated time period.

**Timely submission** of correct data by all banks/financial institutions is of prime importance for effective functioning of Lead Bank Scheme. Delayed submission of data comes in the way of timely holding of various meetings relating to Lead Bank Scheme. It also debars the convener bank/ lead bank to submit compiled data to RBI, NABARD and Central and State Governments on various items as and when asked for. All banks need to make a lot of improvement in this area. The issue has become more important in the context of RBI directives that SLBC meetings are to be held within 45 days of the end of the quarter.

All Banks were requested to submit data within 15.04.2018 for compilation of Agenda Notes for 125<sup>th</sup> SLBC Meeting. The date of submission by the concerned banks is tabulated as follows:-
